

High School Assessment Calendar 2017-18

June 2017 Draft

ASSESSMENT CHANGES: There are significant changes to state testing requirements. SAGE tests are no longer administered to high school students. The ACT suite known as ASPIRE will be administered online to all 9th and 10th grade students. The Utah State Board of Education is in the procurement process with ACT. More details will be announced in September 2017. In addition, the Writing subtest will be added to Grade 11 ACT testing.
