

High School Assessment Calendar 2018-19

June 2018

GRADE 9 and 10 ASSESSMENT CHANGES: There are significant changes to high school end-of-year testing. The State Board of Education has selected a new high school assessment that is specifically designed to measure College Readiness and predict ACT performance. Students in Grade 9 and 10 will take a **customized version of ACT Aspire** that will be supported by Pearson Measurement. Prepare for several updates with more information in the coming months.
